

GAA SPORTS CLUBS REDUCE COSTS THROUGH ENERGY EFFICIENCY

O'Loughlin Gaels & Galmoy GAA Sports Clubs- Case Study

With a large annual demand for heating, cooling and lighting at their sites, O'Loughlin Gaels and Galmoy GAA Clubs are concerned about moving towards and promoting a sustainable energy practice. The 3 Counties Energy Agency (3CEA) through the Sustainable Energy Authority of Ireland's Better Energy Communities programme is helping by administering state-wide funding for energy efficiency and renewable energy projects.
